COSMO

**THE NEW COSMO.
THIS MUCH COMFORT
NEVER LOOKED THIS GOOD.**

Mahindra
Rise.

SAFETY THAT INSPIRES TRUST.

This bus is built really tough. That itself makes it safe. However, it has many other features that will make passengers feel secure on every journey.

- Strong tubular structure
- Full length first foot sleep
- Anti-skid vinyl flooring with silicon carbide particles
- Air brakes on 32 and 40 seaters
- Peep windows on both sides
- Metallic front and rear fascia
- Two emergency exits
- Bigger windshield
- Padded hat rack

Peep window

BUILT TO GO ON AND ON AND ON.

The Cosmo is made to withstand every test of time and use. Which means once you buy it, you can rest assured of sterling performance for years to come.

- Sturdy aggregates and high strength steel
- Superior axle material offers great durability and load carrying capacity
- 20% thicker chassis
- Tubular body structure for extra long life
